SHED ROW HORSE BARN

Sizes up to 12' x 52' Delivered Fully Assembled

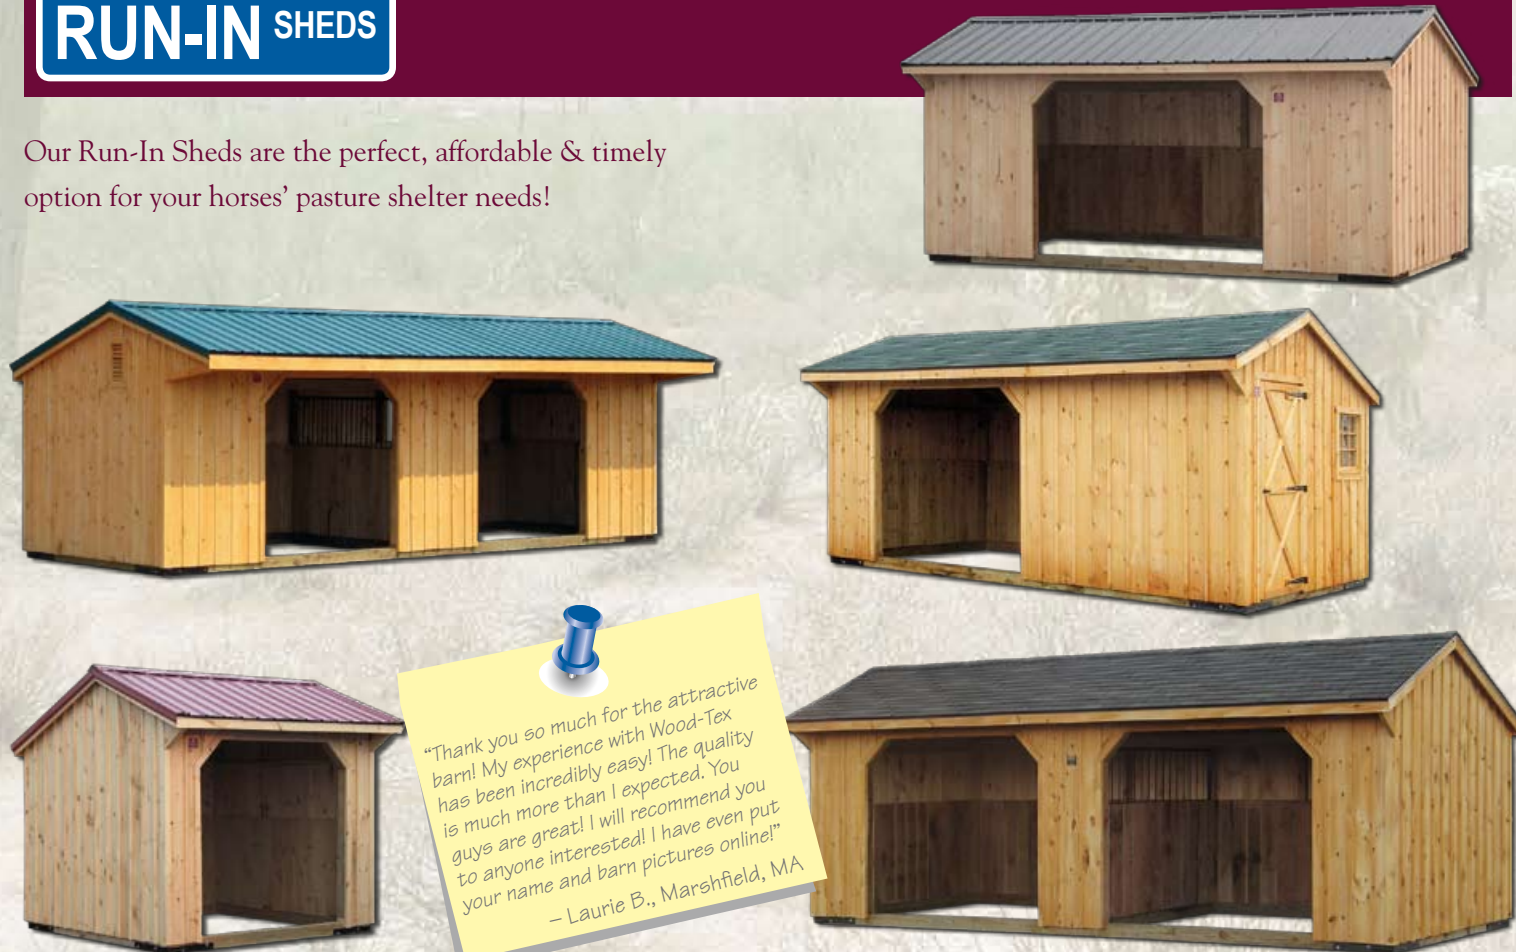

Perfect for the dedicated one-horse warrior, the hard working cowboy or the multi-barn boarding or training operation!

With options like these, you can't afford NOT to bring your horses home!

RUN-IN SHEDS

Our Run-In Sheds are the perfect, affordable & timely option for your horses' pasture shelter needs!

"Thank you so much for the attractive barn! My experience with Wood-Text has been incredibly easy! The quality is much more than I expected. You guys are great! I will recommend you to anyone interested! I have even put your name and barn pictures online!"
- Laurie B., Marshfield, MA

MODULAR BARN

Why put up with construction crews stick building your barn when you can have the barn of your dreams delivered as a modular and simply "wrapped up" on site! We will deliver the halves fully assembled and finish the roof on-site in usually 1-3 days!

"You guys certainly know your stuff, we are very pleased!"
-Don W., Covington, GA"

OVERHANG BARN

4', 6', 8', or 12' Overhangs Can be Added Onto ANY Horse Barn or Run-In Shed!

"...we are very pleased with our new horse barn with the 12' overhang. The crew did a great job with delivery and setup and we will recommend your company to our friends!"
- Chuck K., Leicester, MA

- Convenient, efficient and beautiful! Maximize your investment with an overhang and \$ave time and money!
- Reduces building costs, increases storage and keeps the weather where it belongs – away from your horses!

STORAGE SHEDS

Built and Delivered Fully Assembled in Sizes up to 14'x40'!
