Big Box Retailer Total: \$2,412.80

Pros:

- Get to spend a bunch of time building structure yourself.
- Will allow you to miss numerous games on TV so your kids will get to control the remote more.
- May receive a sense of self-satisfaction.

Cons:

- May not receive any sense of self-satisfaction whatsoever.
- It could become a fiasco that is drawn out for an entire summer.
- It has the potential to damage even the strongest relationship. (yeah, we know about those projects!)
